## ACADEMIC QUALIFICATIONS

|      |  |
|------|--|
| 2021 | <b>Doctor of Philosophy (PhD)</b> in Public Health<br>Saw Swee Hock School of Public Health, National University of Singapore (NUS), Singapore             |
| 2016 | <b>Bachelor of Social Sciences (BSocSe)</b> in Sociology – <i>Summa Cum Laude</i><br>School of Social Sciences, Singapore Management University, Singapore |

## RESEARCH INTERESTS

Social determinants of health; Sociology of health and illness; Social epidemiology; Sexual and reproductive health; HIV; Sexually transmitted infections; Substance use; Stigma and discrimination; Social innovations in health; Community engagement; Patient advocacy; Crowdsourcing research; Crowdfunding research; Qualitative methods; Mixed methods

## ACADEMIC APPOINTMENTS

|              |   |
|--------------|---|
| 2023-Present | <b>Assistant Professor (Tenure Track)</b> , Saw Swee Hock School of Public Health, NUS, Singapore           |
| 2021-Present | <b>Visiting Research Fellow</b> , National Centre for Infectious Diseases, Singapore                        |
| 2021-2023    | <b>Visiting Research Fellow</b> , Saw Swee Hock School of Public Health, NUS, Singapore                     |
| 2021-2023    | <b>Postdoctoral Fellow</b> , University of North Carolina Project-China, Guangzhou, China                   |
| 2023-2023    | <b>Fulbright Visiting Scholar</b> , University of North Carolina at Chapel Hill, NC, United States          |
| 2021-2021    | <b>Visiting Scholar</b> , Columbia Population Research Centre, Columbia University, New York, United States |
| 2021-2021    | <b>Postdoctoral Fellow</b> , Saw Swee Hock School of Public Health, NUS, Singapore                          |

## ADMINISTRATIVE LEADERSHIP AND OTHER PROFESSIONAL CONTRIBUTIONS

### Directorships, Board, and Executive Committee Contributions

|              |  |
|--------------|--|
| 2024-Present | <b>Treasurer</b> , Society of Behavioural Health, Singapore          |
| 2022-Present | <b>Advisor</b> , HeHealth.ai   |
| 2021-Present | <b>President</b> , Project X Society                                 |
| 2020-Present | <b>Co-Lead</b> , Singapore Mental Health Matters                     |
| 2020-Present | <b>Chairman and Director</b> , The Greenhouse Community Services Ltd |
| 2022-2024    | <b>Vice President</b> , Society of Behavioural Health, Singapore     |
| 2019-2022    | <b>Treasurer</b> , Society of Behavioural Health, Singapore          |
| 2018-2019    | <b>Pro-Tem Treasurer</b> , Society of Behavioural Health, Singapore  |

### Editorial Roles

|              |   |
|--------------|---|
| 2023-Present | <b>Deputy Editor</b> , <i>Journal of the International AIDS Society</i>                 |
| 2023-Present | <b>Academic Editor</b> , <i>PLOS Global Public Health</i>                               |
| 2019-Present | <b>Perspectives Editor</b> , Perspectives Panel, <i>Sexually Transmitted Infections</i> |
| 2020-2023    | <b>Associate Editor</b> , Social Determinants of Health, <i>BMC Public Health</i>       |

### Academic committees, grant panels, and expert opinions

|              |   |
|--------------|---|
| 2024-Present | Co-Chair, Singapore AIDS Conference 2024  |
| 2024-Present | Member, AIDS 2024 Key Population Pre-Conference Planning Committee  |
| 2024-Present | Member, National University of Singapore Institutional Review Board   |
| 2023-Present | Early Career Researcher Committee Co-Chair, IUSTI World Congress 2024 Organising Committee                    |
| 2023-Present | Young Impact Leader Advisory Committee Member, AVPN Asian Youth Mental Wellbeing Fund                         |
| 2022-Present | Organizing and Scientific Committee Member, Asia-Pacific AIDS & Co-Infections Conference (APACC)              |
| 2021-Present | Grant Panellist, Ministry of Health Office for Healthcare Transformation Movements for Health (M4H)           |
| 2023-2024    | Scientific Committee, Asia Pacific Intergovernmental HIV Roundtable   |
| 2024-2024    | Reviewer, China Medical Board Fellowship Training Program, University of North Carolina Project-China         |
| 2023-2023    | Co-Chair, Society of Behavioural Health Scientific Meeting 2023   |
| 2022-2023    | Organizing Committee Member, TDR Designathons Open Call and Practical Guide                                   |
| 2022-2023    | Organizing Committee Member, 12 <sup>th</sup> International AIDS Society Conference on HIV Science (IAS 2023) |
| 2022-2023    | Organizing Committee Member, Designathon on PrEP among Asian-Born GBMSM in Australia                          |
| 2022-2022    | Organizing Committee Member, Singapore AIDS Conference 2022   |
| 2022-2022    | Steering Committee Member, Go Youth! Global Open Call on Youth Voices, SESH Global                            |

|           |  |
|-----------|--|
| 2022-2022 | Abstract Reviewer, Asia-Pacific AIDS & Co-Infections Conference (APACC) 2022   |
| 2022-2022 | Abstract Reviewer, 12 <sup>th</sup> International AIDS Conference  |
| 2021-2022 | Member, Asia-Pacific AIDS & Co-Infections Conference (APACC) 2022 Organizing Committee   |
| 2021-2021 | Expert witness, Opinion on stigma and discrimination towards men who have sex with men in Singapore                            |
| 2021-2021 | Expert witness, Opinion on the effect of viral suppression on the risks of HIV transmission through sexual contact             |
| 2021-2021 | Rapporteur (Track D: Social, behavioral and implementation science), 11th International AIDS Society Conference on HIV Science |
| 2021-2021 | Mentor, Imagine the World Anew: A Call for Youth Voices on COVID-19 in Malaysia, Impact Hub                                    |
| 2021-2021 | Mentor, Asia-Pacific Public Health Challenge 2021, International Pharmaceutical Students' Federation                           |
| 2020-2021 | Member, Asia-Pacific AIDS & Co-Infections Conference (APACC) 2021 Organizing Committee   |
| 2020-2021 | Member, Department Ethics Review Committee, Saw Swee Hock School of Public Health  |
| 2020-2020 | Member, Singapore AIDS Conference 2020 Organizing Committee  |
| 2020-2020 | Abstract Mentor, 11 <sup>th</sup> International AIDS Society Conference on HIV Science   |
| 2019-2020 | Lead, Persons Who Use Drugs, Blueprint to End HIV, Action for AIDS Singapore   |
| 2019-2019 | Abstract Mentor, 23 <sup>rd</sup> International AIDS Conference  |
| 2018-2018 | Abstract Mentor, 10 <sup>th</sup> International AIDS Society Conference on HIV Science   |

## HONORS, FELLOWSHIPS AND SCHOLARSHIPS

| Year | Institution  | Title   |
|------|--|---|
| 2023 | Gilead Sciences  | Gilead HIV Research Scholarship 2023  |
| 2023 | United States Department of State                                | Fulbright Visiting Scholar Award 2022-2023  |
| 2022 | International Society for Sexually Transmitted Diseases Research | Digital International Society for Sexually Transmitted Diseases Research Champion             |
| 2022 | Washington University in St. Louis                               | Fellow, HIV Infectious Disease and Global Health Implementation Research Institute (HIGH IRI) |
| 2022 | Social Innovation in Health Initiative                           | Fellow, Social Innovation in Health Initiative  |
| 2021 | Prestige Singapore   | Prestige Singapore 40 Under 40 Laureate 2021  |
| 2020 | Virology Education   | Fellow, Asia-Pacific AIDS & Co-Infections Conference (APACC)                                  |
| 2019 | National University Health System                                | Fellow, Singapore Population Health Improvement Centre (SPHERiC)                              |
| 2017 | The Courage Fund Limited   | The Courage Fund Ph.D. (Infectious Disease) Scholarship                                       |
| 2016 | Singapore Management University                                  | Ho See Beng Scholarship (Social Sciences) 2014  |

## OTHER ACADEMIC AWARDS

| Year | Institution                      | Title  |
|------|----------------------------------|--|
| 2021 | National University of Singapore | SSHSPH Graduate Student Teaching Award                                   |
| 2021 | National University of Singapore | NUS Society (NUSS) Medal for Outstanding Achievement, Class of 2021      |
| 2021 | National University of Singapore | Finalist, Wang Gungwu Medal and Prize (Best PhD Thesis, Social Sciences) |
| 2020 | National University of Singapore | SSHSPH Infectious Disease Programme Symposium Best Presenter             |
| 2020 | National University of Singapore | SSHSPH Graduate Student Teaching Award                                   |
| 2019 | National University of Singapore | SSHSPH Graduate Research Student Award (Epidemiology)                    |
| 2016 | Singapore Management University  | DBS Bank School Valedictorian Award in Social Sciences                   |
| 2016 | Singapore Management University  | Singapore Management University CIRCLE Award                             |
| 2016 | Singapore Management University  | Ho See Beng Excellence Award (Top sociology graduate)                    |
| 2016 | Singapore Management University  | Helen Chua Chin Xiang Best Senior Thesis in Sociology                    |
| 2015 | Singapore Management University  | Professor Tan Teck Meng Endeavour Award                                  |
| 2015 | Singapore Management University  | Luxasia Vitality Innovativeness & Enterprising Spirit (VIE) Award        |
| 2015 | Singapore Management University  | Dean's List, School of Social Sciences                                   |
| 2010 | Singapore Management University  | Standard Chartered Best First Year Business Student Award                |
| 2010 | Singapore Management University  | Dean's List, Lee Kong Chian School of Business                           |

### RESEARCH PROJECTS & FUNDING

#### Projects as principal investigator

| Title  | Year | Funding / Support                               | Quantum       |
|--|------|---|---------------|
| Crowdsourcing an HIV Treatment as Prevention (“Undetectable = Untransmittable”) and Stigma Reduction Intervention for Key Populations and Healthcare Workers (CUSP): A Co-Creation and Mixed-Methods Pilot Randomized Controlled Trial and Feasibility Study | 2024 | SSHSPH, NUS                                     | SGD100,000.00 |
| Co-Creating Solutions in Successful AgeIng foR LGBTQ+ populations (CORSAIR)  | 2024 | Ministry of Education<br>Academic Research Fund | SGD250,000.00 |

|  |      |   |                               |
|--|------|---|-------------------------------|
| Spurring Community-Engaged Health Equity Research in Singapore (CHER)  | 2023 | National University of Singapore Start-Up Grant | SGD250,000.00                 |
| Co-Creating a Holistic Trauma-Informed Intervention to Address Sexualized Drug Use ('Chemsex') among Gay, Bisexual and other Men who have Sex with Men using Discrete Choice Experiment and Quasi-Experimental Evaluation                                  | 2023 | Gilead Sciences                                 | USD129,690.00 (SGD173,521.50) |
| Identity Explorations, Mental Health Outcomes, Stigma and Relationship Matters in GBQ Men  | 2022 | SG Rainbow                                      | SGD2,500.00                   |
| Perspectives of gay, bisexual and other men who have sex with men on HIV criminalization laws in Singapore   | 2022 | Self-Funded                                     | SGD850.00                     |
| Sexual orientation, gender identity and expression (SOGIE) in the workplace survey   | 2022 | Williams Institute (UCLA Law)                   | NIL                           |
| Programme evaluation of a brief counselling intervention for substance use recovery: secondary analysis of intake forms and counsellor case notes  | 2022 | The Greenhouse Singapore                        | NIL                           |
| Monkeypox Stigma Community Survey  | 2022 | Grindr LLC                                      | NIL                           |
| Developing capacity building, sexual health, and peer support training workshops for communities at-risk of HIV in Singapore   | 2021 | Gilead Sciences                                 | SGD76,870.00                  |
| Perspectives of gay, bisexual and other men who have sex with men on HIV criminalization laws in Singapore   | 2021 | Self-Funded                                     | SGD1,500.00                   |
| International sexual health and reproductive (ISHARE) Health during COVID-19 (Wave 2; Singapore country lead)  | 2021 | Self-Funded                                     | NIL                           |
| LGBTQ+ healthcare in Singapore: Perspectives of non-governmental organizations and clinical year medical students  | 2020 | Self-Funded                                     | SGD2,250.00                   |
| Youth sexual health study in Singapore   | 2020 | Action for AIDS Singapore (AFA)                 | SGD6,000.00                   |
| Gayhealth.sg Survey 2020   | 2020 | AFA   | SGD15,000.00                  |
| International sexual health and reproductive (ISHARE) Health during COVID-19 (Singapore country lead)  | 2020 | SSHSPH Infectious Diseases Programme, NUS       | SGD6,000.00                   |
| Impact of COVID-19 on the sex work industry in Singapore   | 2020 | NUS Efforts Against COVID-19 Fund               | SGD27,750.00                  |
| Effectiveness of a culturally-tailored youth sexual health workshop on sexual communication self-efficacy: a quasi-experimental study  | 2020 | MSD Pharma Singapore                            | USD25,000.00 (SGD34,690.50)   |
| #COVID19: WhatsApp Focus Group Discussions on knowledge, attitudes, perceptions of COVID-19  | 2020 | Self-Funded                                     | SGD3,000.00                   |
| Community-based survey on the prevalence of depression, alcohol, and substance use disorders among gay, bisexual and other men who have sex with men in Singapore  | 2020 | ICARUS Study Team                               | NIL                           |
| HIV/STI infection, reinfection, and onward transmission in the context of sexualized substance use, incarceration and mental health burden among gay, bisexual, and other men who have sex with men (GBMSM) in Singapore: A qualitative, syndemic approach | 2019 | The Greenhouse Singapore                        | SGD1,650.00                   |
| Effectiveness of an online video intervention to address internalized homophobia and improve sexual health outcomes among gay, bisexual, and other men who have sex with men: a pragmatic, randomized controlled trial                                     | 2019 | SSHSPH Infectious Diseases Programme, NUS       | SGD30,000.00                  |
| Grindr Sexual Health Poll  | 2017 | Grindr LLC                                      | NIL                           |
| <b>Total Estimated Funding as Principal Investigator</b>   |      |   | <b>SGD981,602.00</b>          |

#### Projects as co-investigator (Co-I) or collaborator (Collab)

| Title  | Year | Funding / Support                              | Quantum                     |
|--|------|--|-----------------------------|
| Increasing the Rigor of Social Innovation in Health Research   | 2022 | WHO TDR  | USD26,500.00 (SGD36,707.80) |
| The Pink Carpet Y PrEP and Telehealth Demonstration Study: A demonstration study to assess feasibility and acceptability of pre-exposure prophylaxis (PrEP) delivery, PrEP telehealth, and effectiveness of a sexually transmitted infections counselling service for young men who have sex with men in Singapore | 2021 | National Centre for Infectious Diseases (NCID) | SGD50,000.00                |

|   |      |  |                      |
|---|------|--|----------------------|
| Sex worker risks and vulnerabilities in Singapore: A natural experiment to establish frameworks for HIV/STIs prevention in a post-COVID-19 era              | 2021 | NCID   | SGD50,000.00         |
| Stigma and discrimination as factors in late diagnosis and treatment presentation for people living with HIV  | 2020 | NCID   | SGD50,000.00         |
| Coronavirus Disease (COVID-19): Perspectives Along the Quarantined Patient Journey  | 2020 | NCID   | SGD26,000.00         |
| Predictors of syndemic risks among a young gay and bisexual male cohort: a prospective cohort study   | 2018 | Singapore Population Health Improvement Centre | SGD50,000.00         |
| HIV self-testing amongst men-who-have-sex-with-men (MSM) and heterosexual men (HSM) in Singapore: formative research for an implementation research project | 2018 | National Medical Research Council              | SGD120,000.00        |
| Risk factors for HIV infection - a case control study   | 2017 | Singapore Infectious Diseases Initiative       | SGD20,000.00         |
| Lived Experiences and Constructs of Sexual Health Amongst Men who have Sex with Men (MSM) in Singapore  | 2017 | SSHSPH, NUS                                    | SGD1,750.00          |
| <b>Total Estimated Funding as Co-Investigator or Collaborator</b>   |      |  | <b>SGD404,457.80</b> |

## OTHER RESEARCH EXPERIENCE

|      |   |

### INVITED TALKS AND SEMINARS

---

1. Digital engagement for economic evaluation. March 22, 2024. HIPER Symposium 2024, SSHSPH, NUS: Singapore

2. Reducing harms and enhancing well-being among people engaging in sexualized drug use. March 21, 2024. AIDS Concern Conference 2024, AIDS Concern: Hong Kong.
3. Chemsex in Singapore and Asia. March 28, 2024. USAID MSM South Africa Technical Collaboration Meeting, FHI360 EpiC South Africa: Cape Town (Virtual).
4. Ground-up harm reduction practices for chemsex in the context of punitive drug laws: A qualitative study among sexual minority men in Singapore. LKCMedicine and Imperial College Sexually Transmitted Infections Symposium, Lee Kong Chian School of Medicine, Nanyang Technological University: Singapore.
5. Envisioning a patient-engaged healthcare: Lessons from citizen science. March 7, 2024. Patient Engagement Seminar, Oracle Life Sciences: Singapore
6. HIV awareness talk. February 14, 2024. We Care Community Services: Singapore.
7. A community-based participatory research project to develop an occupational health and safety framework for sex workers. February 16, 2024. National Centre for Infectious Diseases Research Meeting, National Centre for Infectious Diseases: Singapore.
8. Digital approaches to community engagement in clinical trials. January 19, 2024. Universiti Malaya: Kuala Lumpur.
9. Remember and Commit: World AIDS Day 2023. December 1, 2023. Oracle World AIDS Day event 2023: Singapore.
10. Integrating community engagement and social epidemiology to achieve health equity in sexual health. October 19, 2023. Australasian Epidemiological Association Annual Meeting 2023: Melbourne.
11. Writing up qualitative research: The journey from codes to themes. October 11, 2023. Social Entrepreneurship to Spur Health Annual Meeting 2023: Guangzhou.
12. Reducing harms and enhancing well-being among people engaging in sexualized drug use. October 11, 2023. Social Entrepreneurship to Spur Health Annual Meeting 2023: Guangzhou.
13. Reducing harms and enhancing well-being among people engaging in sexualized drug use. September 18, 2023. National Strategic Consultation on Drug Laws Reform “Achievability Outside the Box: Reforming Substance Use Strategy in Thailand, REFORM Thailand: Bangkok (Virtual).
14. Harm Reduction among young priority populations: minimizing negative health, social and legal impacts associated with sexualized drug use. August 30, 2023. Institute for HIV Research and Innovation Regional Conference on Young People First: the Humanization of Healthcare for Young Priority Populations: Bangkok.
15. Designathon practical guide: Our participatory process. July 12, 2023. Social Innovation in Health Initiative Talks: Online.
16. Importance of health equity in epidemics: Commercial sex workers and other vulnerable populations during the COVID-19 pandemic. July 11, 2023. Singapore Cooperation Programme (Ministry of Foreign Affairs): Singapore.
17. Mobilizing communities to advance the science of HIV, sexually transmitted infections, and other stigmatized health conditions. July 4, 2023. Cerner Enviza (Oracle): Singapore.
18. Application of community-based research frameworks and models in biomedical sciences. June 10, 2023. Asia Pacific AIDS and Co-Infections Conference 2023: Singapore.
19. The pay-it-forward gonorrhea testing randomized controlled trial (PIONEER) to spur gonorrhea and chlamydia testing among men who have sex with men in China. April 28, 2023. Triangle Health Economics Workshop: Chapel Hill.
20. Designathons and design thinking. April 5, 2023. HOPE Designathon Australia Webinar, University of Melbourne (Virtual).
21. Paying-it-forward to spur gonorrhea and chlamydia testing among queer men in China. March 31, 2023. Gillings School of Global Public Health, University of North Carolina at Chapel Hill.
22. Implementing crowdsourcing open calls and designathons in health and health research. March 29, 2023. University of North Carolina School of Nursing T32 Seminar Series (Virtual).
23. Qualitative methods to deepen community engagement in research. March 15, 2023. CHIMERA D43 International Training Grant Webinar Series.
24. LGBTQ+ health research in China and Singapore. March 7, 2023. Carolina Asia Center, University of North Carolina at Chapel Hill: Chapel Hill, North Carolina.
25. Challenges to HIV prevention in adolescents and young adults in the Asia Pacific (Plenary). January 18, 2023. International Bangkok Symposium in HIV Medicine: Bangkok.
26. Stigma and the control of infectious diseases. November 15, 2022. Clinical, Research, Epidemiology, Education and Diagnostics (CREED) platform, National Centre for Infectious Diseases (Virtual).
27. Snapshots of chemsex: the facilitating factors of STI and HIV among MSM in Asia. Hi-fun safety nets: programming to balance pleasures and reduce risks. November 4, 2022. APCOM HIV Community Masterclass Asia Series 2.0 (Virtual).
28. Implementing designathons. October 20, 2022. HOPE Network Designathon Workshop (Virtual).
29. Deepening community engagement in clinical service design, delivery and trials. October 5, 2022. University of North Carolina School of Nursing T32 Seminar Series (Virtual).
30. Crowdfunding for social innovation in health research. August 16, 2022. Social Innovation Summer Training Workshops. Social Innovation in Health Initiative (Virtual).
31. What makes a successful online crowdfunding research campaign? Practical tips for HIV researchers. June 16, 2022. Asia Pacific AIDS & Co-Infections Conference 2022 (Virtual).
32. Effect of stigma and discrimination in health decisions for people living with HIV: A qualitative study. June 1, 2022. HIV Grand Ward Round. National Centre for Infectious Diseases: Singapore.

33. Sexual and mental health insights from a cross-sectional online youth sample in Singapore. May 24, 2022. Sexual Health Workgroup Meeting, Department of Sexually Transmitted Infections Control Clinic: Singapore.
34. Co-creating the Pay-It-forward gonorrhoea testing randomized controlled trial (PIONEER). April 29, 2022. University of North Carolina at Chapel Hill Institute for Global Health & Infectious Diseases, Division of Infectious Diseases, and Center for AIDS Research Friday Morning Conference Series: Chapel Hill (Online)
35. Wisdom from the crowds: Methods to cultivate and foster citizen science. April 21, 2022. Theory of Knowledge Seminar 2022, Hwa Chong International School: Singapore
36. Governing at the margins: How gay, bisexual and other men who have sex with men negotiate the law on HIV risk disclosure in Singapore. April 19, 2022. Governing through contagion: Perspectives across time and space, Faculty of Law National University of Singapore: Singapore
37. Engaging the community to contribute in crowdsourcing contests. April 12, 2022. Inaugural REDSSA Seminar on the Ethical, Legal and Social Implications (ELSI) of Data Science in Healthcare in Sub-Saharan Africa, Stellenbosch Centre for Medical Ethics and Law (Hybrid).
38. Drugs in Asia: Realities and reforms. March 24, 2022. International Drug Policy Consortium (Online).
39. HIV stigma and discrimination in healthcare settings. March 8, 2022. HIV Hot Topics 2022 Knowledge Exchange Webinar in collaboration with the International AIDS Society, International Society of Infectious Diseases (Online)
40. Creating a safe space to recover from trauma and addiction. February 3, 2022. School of Humanities Gender and Diversity seminar series, Nanyang Technological University: Singapore
41. Creating a safe space to recover from trauma and addiction. January 27, 2022. Yale-NUS Elm College Rector's Tea, Yale-NUS: Singapore
42. Effect of stigma and discrimination on health decisions on PLHIV: Centering the patient voice? January 21, 2022. National Centre for Infectious Diseases Research Meeting, National Centre for Infectious Diseases: Singapore.
43. Singapore's drug policy: Impacts on public health and welfare of communities. December 22, 2021. Drug Policy News in Asia: International Drug Policy Consortium (Facebook Live)
44. Can sex work be safe? December 17, 2021. Project X webinar in commemoration of International End Violence Against Sex Workers Day 2021: Singapore
45. "We feel responsible for their well-being": A comparison of low-income migrant workers' human security issues prior to and as a result of COVID-19 pandemic in Singapore. December 17, 2021. The Pandemic and Beyond: Implications for Migrant Workers in Southeast Asia. International Migrants Day Conference 2021: Chulalongkorn University, Thailand
46. Drug use, mental health and trauma: Perspectives from an addiction recovery centre. October 27, 2021. School of The Arts Singapore: Singapore.
47. Social determinants of health and in pharmacy practice. 6<sup>th</sup> International Pharmaceutical Students' Federation Asia Pacific Regional Office pharmacy practice education, 2021 Nepal (Online).
48. Meet the innovators: Power of collective wisdom in public health innovation. August 31, 2021. World Health Organization Western Pacific Office (Online).
49. Chemsex among gay, bisexual and other men who have sex with men in Singapore: Implications for rehabilitation and criminal justice. June 24, 2021. Transformative Justice Collective: Singapore
50. Trauma and sexualised substance use ['Chemsex'] among treatment-experienced gay, bisexual and queer men in Singapore. May 18, 2021. Institute of Mental Health: Singapore
51. Chasing utopias: Chemsex as liberation in gay Singapore. April 30, 2021. Junior Scholars Seminar Series. Academia.SG: Singapore.
52. Effect of a popular web drama video series on HIV/STIs testing among gay, bisexual and other men who have sex with men in Singapore: a community based, pragmatic, randomized controlled trial. April 23, 2021. National Centre for Infectious Diseases Research Meeting, National Centre for Infectious Diseases: Singapore.
53. Implementing HIV pre-exposure prophylaxis for zero new infections among men who have sex with men in Singapore: But should we be concerned about risk compensation? April 15, 2021. Health Promotion Board Singapore: Singapore.
54. How an LGBTQ identity leads to poorer health outcomes in a variety of areas sexual health, mental health, and beyond. February 1, 2021. Asian Medical Students' Association – Singapore: Singapore.
55. What can we expect from scaling up PrEP among MSM in Singapore? Modelling the impact of PrEP scale-up on HIV incidence and risk compensation among MSM. December 5, 2020. Singapore AIDS Conference 2020. Action for AIDS Singapore: Singapore (Zoom).
56. Impact of the COVID-19 pandemic on the sex work industry in Singapore. November 30, 2020. Universitas 21 Early Career Researcher Workshop 2020: Modern slavery, forced labour and human trafficking: Roadmaps to 2030. University of Nottingham: United Kingdom (Online).
57. Stigma and its myriad manifestations: Lessons from HIV and COVID-19. June 17, 2020. Stigma Working Group. Brighton & Sussex Medical School, University of Sussex, Falmer: United Kingdom (Zoom).
58. Epidemiological principles in the context of COVID-19. March 31, 2020. Aliswag Lifelong Training Centre: Online Lecture-Forum for Filipino Nurses: Philippines (Zoom).
59. Chasing utopias: Chemsex among gay, bisexual and other men who have sex with men in Singapore. February 11, 2020. Saw Swee Hock School of Public Health Student Research Round: Singapore.

60. PrEP or condoms, or both? Insights on risk compensation through a discrete choice experiment on PrEP preferences among gay, bisexual, and other men who have sex with men. January 17, 2020. National Centre for Infectious Diseases Research Meeting, National Centre for Infectious Diseases: Singapore.
61. Leveraging the social in social research: Social media and its implications for research methods. December 4, 2019. National University Hospital System Family Medicine Research Forum, National University Hospital System: Singapore.
62. Changing meanings of HIV among men who have sex with men in the U=U era. November 30, 2019. Singapore HIV Congress 2019: Singapore.
63. The role of social media and networking in research and health promotion among gay, bisexual and queer men. October 16, 2019. Sexually-Transmitted Diseases: Old Wine in New Bottles, 14<sup>th</sup> Singapore Public Health and Occupational Medicine Conference: Singapore.
64. Families of choice: The role of community connectedness on sexual and mental health outcomes among gay, bisexual and queer men in Singapore. September 6, 2019. Centre for Family and Population Research Lunchtime Seminar Series, National University of Singapore: Singapore.
65. Clinics as spaces of costly disclosure: avoidance of heteronormative and sexual deviance among gay, bisexual, and queer men. February 19, 2019. Saw Swee Hock School of Public Health Student Research Round: Singapore.
66. Clinics as spaces of costly disclosure: avoidance of heteronormative and sexual deviance among gay, bisexual, and queer men. October 30, 2018. Sexual Health Workgroup Meeting, Department of Sexually Transmitted Infections Control Clinic: Singapore.
67. Socio-behavioral approaches to HIV and STI research. October 26, 2018. Sexual Health Symposium, Singapore Health and Biomedical Congress 2018: Singapore.
68. Constructing the heteronormative and sexual deviant: why anticipated stigma is a barrier to HIV/STI testing among gay, bisexual and queer men. September 29, 2018. Infectious Diseases Symposium, Society of Behavioural Health Singapore Inaugural Scientific Meeting 2018: Singapore.
69. LGBTQ+ Research in Singapore. September 28, 2018. Guest speaker for SOCG203 Gender and Family, Singapore Management University, Singapore.
70. Treatment-seeking behavior among HIV+ men who have sex with men: the role of capital. May 8, 2018. National Centre for Infectious Diseases HIV Grand Ward Round.
71. HIV and STI testing among men who have sex with men: conceptualizing frameworks to guide behavioral interventions. April 10, 2018. Sexual Health Workgroup Meeting, Department of Sexually Transmitted Infections Control Clinic: Singapore.
72. HIV and STI testing among men who have sex with men: conceptualizing frameworks to guide behavioral interventions. March 16, 2018. Tan Tock Seng Hospital: Singapore.
73. Breaking the penal code: challenges and approaches to research on criminalized behavior. October 11, 2017. Saw Swee Hock School of Public Health Student Conference 2017: Singapore.
74. Social research as advocacy. August 31, 2017. Singapore Management University School of Social Sciences Alumni Stories Night: Singapore.
75. Igniting your sociological imagination: Have you ever wondered why social problems persist? June 2, 2017. Singapore Management University School of Social Sciences Immersion Program 2017: Singapore.
76. HIV and STI testing among men who have sex with men: conceptualizing frameworks to guide behavioral interventions. March 28, 2017. Saw Swee Hock School of Public Health Student Research Round: Singapore.
77. Internalized homophobia and HIV/AIDS discrimination amongst MSM in the context of institutionalized stigma: the case of Singapore. January 20, 2017. Tan Tock Seng Hospital: Singapore.
78. Internalized homophobia and HIV/AIDS discrimination amongst MSM in the context of institutionalized stigma: the case of Singapore. December 3, 2016. Singapore AIDS Conference: Singapore.
79. Living long – living well: The challenges to maintaining mental wellness amongst older adults. September 29, 2016. 2<sup>nd</sup> Singapore International Public Health Conference, NUS Saw Swee Hock School of Public Health: Singapore.
80. Regulation of same-sex sexual conduct and public attitudes in Singapore. June 24, 2016. Centre for Asian Legal Studies Seminar Series, NUS Faculty of Law: Singapore.
81. Correlates of HIV/AIDS discrimination amongst men who have sex with men: the case of Singapore. May 7, 2016. School of Social Sciences Admissions Tea 2016, Singapore Management University School of Social Sciences: Singapore.
82. Cultural and historical dimensions of Singaporean food and music. February 20 – March 1, 2011. 1<sup>st</sup> ASEAN Asian Cross-Cultural Exploration (ACCE) Program. Yeungnam University: Daegu, South Korea.

## **WORKSHOP AND PANEL PARTICIPATION**

---

1. **Co-Host and Moderator.** Women x Health Equity Conference in Asia. April 19, 2024. Boston Consulting Global, Monash University Malaysia, and National University of Singapore: Singapore.
2. **Moderator.** Panel on Risk and Protective Factors of Youth Mental Health Outcomes. March 20, 2024. Social Science Research Conference 2024: Youth Mental Health Landscape: Upstream Prevention and Downstream Intervention. Social Science Research Centre, NUS: Singapore
3. **Panelist.** Human Library: How Far We've Come. March 14, 2024. SMU Out To Care, SMU: Singapore
4. **Moderator.** Mobilizing Communities to End HIV by 2030: Why and How Community Networks Address Gaps in Formal Health Systems and Strengthen Linkages to Care. March 2, 2024. Asia Pacific HIV Roundtable. Society of Behavioural Health, Singapore: Singapore.

[Updated: April 18, 2024]

5. **Panelist.** Undetectable = Untransmittable: Translating and Implementing U=U as a Powerful Tool to Address the First 90 Goal. March 2, 2024. Asia Pacific HIV Roundtable. Society of Behavioural Health, Singapore: Singapore.
6. **Panelist.** Panel on Inclusive Healthcare. February 7, 2024. NUS College Diversity Week, Cinnamon College: Singapore.
7. **Panelist.** Advancing HIV prevention and treatment through implementation and socio-behavioural research. December 2, 2023. Singapore HIV Congress: Singapore.
8. **Panelist.** Asia Thinker Series - Mental Health: Shaping Community Outreach & Policy Initiatives. August 18, 2023. Lee Kuan Yew School of Public Policy: Singapore.
9. **Moderator.** Support Don't Punish panel on drug policy reform. July 9, 2023. Transformative Justice Collective Festival 2023: Singapore.
10. **Co-Chair.** Parallel session 7: Implementation science. June 11, 2023. Asia Pacific AIDS and Co-Infections Conference 2023: Singapore.
11. **Chair.** NGO satellite symposium – Project X: Beyond boundaries – transnational issues for sex work in Singapore and beyond. June 10, 2023. Asia Pacific AIDS and Co-Infections Conference 2023: Singapore.
12. **Panelist.** The Nominated Member of Parliament Scheme: Are Unelected Voices Still Necessary in Parliament? - A Collection of Perspectives and Personal Reflections by NMPs. May 5, 2023. Lee Kuan Yew School of Public Policy: Singapore.
13. **Panelist.** Student-directed seminar on Queer Communities, Intersectionality and Forensic Psychology Offending. March 3, 2023. University of British Columbia Okanagan: British Columbia (Virtual).
14. **Panelist.** Writing for publication. January 16, 2023. Saw Swee Hock School of Public Health Graduate Student Conference 2023: Singapore
15. **Panelist.** Equity, diversity and inclusivity (EDI) of school environment. January 16, 2023. Saw Swee Hock School of Public Health Graduate Student Conference 2023: Singapore
16. **Co-Chair.** Abstract-driven session: Substance use. June 16-18, 2022. Asia Pacific AIDS & Co-Infections Conference 2022 (Virtual).
17. **Panelist.** *Mental Health Ideathon 2021*. June 19, 2021. Youth Corps Singapore: Singapore
18. **Co-Chair.** Chemsex, mental health and blood-borne viruses: An emerging syndemic in Asia. June 17-19, 2021. Asia Pacific AIDS & Co-Infections Conference 2021 (Virtual).
19. **Panelist.** *Who would you be if the world never gave you boxes to tick?* May 21, 2021. Barclays Singapore: Singapore
20. **Discussant.** *STI and HIV in MSM in Singapore – Research & Epidemiology, Testing & Prevention*. April 27, 2021. Sexual Health Workgroup Meeting. Department of Sexually Transmitted Infections Control Clinic: Singapore.
21. **Facilitator.** *Youth Sexual Health Workshops*. February to March 2021. Action for AIDS Singapore: Singapore
22. **Panelist.** *Public Health Equity & Vulnerable Communities in Singapore: Workshop and Panel*. January 29, 2021. Yale-NUS Diversity Week 2021. Yale-NUS: Singapore
23. **Panelist** (The Greenhouse Community Services Limited). *Mental wellness zoom webinar*. Inter-University LGBT Network: Singapore (Online)
24. **Attendee.** *U21 ECR Workshop 2020: Modern slavery, forced labour and human trafficking: Roadmaps to 2030*. University of Nottingham: United Kingdom (Online).
25. **Panelist.** *HIV and adolescence workshop – building health and resilience. Abstract writing and workshop*. November 6 and 20. Virology Education and Youth Voices Count.
26. **Moderator.** *Catalysing community action in times of COVID-19*. April 11, 2020. Society of Behavioural Health COVID-19 Public Education Webinar Series: Singapore.
27. **Participant.** *Technical consultation on global sexual health data needs*. November 25-27, 2019. World Health Organization and Kyoto University: Japan.
28. **Panelist.** *SOSS Industry Networking Night 2019*. September 12, 2019. SMU School of Social Sciences: Singapore.
29. **Co-chair.** *Symposium on substance use and HIV among young people*. July 22, 2019. 10<sup>th</sup> International AIDS Society Conference on HIV Science: Mexico City, Mexico.
30. **Panelist.** *McKinsey Day of Pink: Allyship*. April 12, 2019. McKinsey and Company: Singapore
31. **Moderator.** *Brave new frontier*. March 30, 2019. Action for AIDS Singapore and Gayhealth.sg Symposium: Singapore
32. **Panelist.** *Youth voices matter: Involving and engaging young people in the HIV response in Singapore*. December 8, 2018. Singapore AIDS Conference: Singapore.
33. **Panelist.** *Community-based participatory research – The way forward for public health*. LKCMedicine Research Guest Lecture. December 7, 2018. Lee Kong Chian School of Medicine: Singapore.

## CONFERENCE PARTICIPATION

### Oral presentations

1. Toller-Erasquin J.<sup>†</sup>, **Tan R. K. J.<sup>†\*</sup>**, Uhlich M., Francis J., Kumar N., Campbell L., Zhang W., Hlatshwako T., Kosana P., Shah S., Brenner E. M., Remmerie L., Mussa A., Klapilova K., Mark K., Perotta G., Gabster A., Wouters W., Burns S., Hendriks J., Eleuteri S., Sahril N., Low W. Y., Plasilova L., Lazdane G., Olumide A., Michielsen K., Moreau C., Tucker J. D., I-SHARE Research Consortium. (2022). *The International Sexual Health And Reproductive Health Survey (I-SHARE-1): A Cross-Sectional Multi-Country Analysis of Adults from 30 Countries Prior to and During the Initial COVID-19 Wave*. November 11, 2022. Global Health Scholars Symposium, University of North Carolina Chapel Hill (Remote).
